

Victorian Vegetable Growers Notes

29-Dec-08

An Update for VGA members

Developing more Industry Leaders

In February 2009 a National program will begin to build the leadership capacity of the Australian vegetable industry.

The program is subsidised by HAL and funded through the National Vegetable Levy.

**Registrations close 15 January
so hurry and get your application in now!**

The program will help develop your:

- Leadership skills including understanding personalities, managing projects and people, communicating effectively, conflict management, team building, , networking and effective meetings.
- Confidence in leading groups at all levels in the industry - workplace, organisation, teams and community groups

First Residential 24-26 Feb - Devonport

Second Residential 26-28 May - Melbourne

Third Residential 18-20 Aug - Canberra

Farewell PERACTO

Managing Director,
Ian Macleod, has announced PERACTO will close their Werribee office on 31 Dec 2008.

Their decision, follows an inability to secure long term tenure from the Victorian Government for their facility at Dairy Road, Werribee.
