Industry honours Luis Gazzola

AUSVEG Chairman **John Brent** and all AUSVEG Directors have honoured **Luis Gazzola** with a **Lifetime Achievement Award** for his services to the vegetable industry.

Luis credits his achievement to the fantastic support of his wife Gloria and children Paul, Colin, Andrew and Angela.

As VGA President since 2004, Luis has directed his talents to building a strongly united vegetable industry.

"I saw the need to get involved, as many others have done in the past, to help progress issues important to vegetable growers"

AUSVEG Communications Manager, Hugh Tobin, said that "Mr Gazzola was a wonderful example of what can come from hard work and a commitment to best practice and innovation"

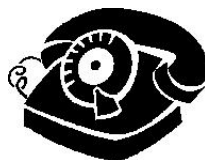

"Luis' service to the community, in growing and supplying vegetable over many decades is to be commended and I can't think of a more deserving winner of this prestigious award," Mr Tobin said.

Luis continues to represent all Victorian growers in the many of the matters of concern to all those involved in the vegetable industry.

Luis Gazzola accepts the **Lifetime Achievement Award** before an audience of his peers at the **AUSVEG National Awards for Excellence**, held at Jupiters Gold Coast Casino on Saturday May 29.
